

## OUR MISSION

To recruit, support and advocate for candidates for public office who support private sector job creation, low taxation, a responsible regulatory environment, and effective delivery of essential state services.

## OUR GOALS

To focus on candidate support in state legislative races and the governor's office.  
To oppose any form of corporate income taxes or other business taxes that discourage capital investment and therefore job creation.  
To support limiting Nevada state government spending to the rate of population growth.
